How it works

Members receive a club shipment four times a year of our award winning wines. The club level you select — Enophile, Wine Aficionados, Pinot Cravers or Pinot Fetishists — will determine the number of bottles in each shipment and the discount you will receive. Each club level receives hand selected wines from our wine maker.

We ask that you agree to a 1-year minimum commitment to our club when you sign up. Come and pick up your wine at one of our pick up parties; if you miss it, you will have 90 days to pick up your shipment. After that we will ship your wine to you and charge your credit card for the shipping cost.

Enophile ~ One who appreciates and enjoys wine

Receive 3 bottles 4 times a year with a **20% discount** on all wine purchases.**

Wine Aficionados ~ An ardent devotee to wine, enthusiast

Receive 12 bottles 4 times a year with a **30% discount** on all wine purchases.**

In addition to the regular membership benefits you will receive an invitation to private catered affairs twice a year and a chance to purchase limited release wines.

Pinot Cravers ~ To long for...

Receive 6 bottles 4 times a year with a **25% discount** on all wine purchases.**

Pinot Fetishists ~ An object, eliciting unquestioning reverence and respect (only 200 members)

Receive 12 bottles 4 times a year with a **35% discount** on all wine purchases.**

In addition to the regular membership benefits you will receive an invitation to private catered affairs twice a year and a chance to purchase limited release wines.

****Should you decide to withdraw from the club, we require a 30 day advance written notice. The following penalties apply should you withdraw before fulfilling the year commitment: Enophile (\$50 charge), Wine Aficionados (\$75 charge), Pinot Cravers (\$75 charge), Pinot Fetishists (\$100 charge).**
